

MEDIEVAL CHINA PROJECT

Due Thursday January 10, 2019

You have one month to complete this project (including winter break)

Please do not wait until last minute, it will show.

This is a project to be completed at home.

Choose an aspect of Medieval China for your project and your one to three minute presentation.

Food Music Art Inventions Paper money Dance Clothing Woodblock printing

Weapons Gunpowder Dynasties Great Wall Confucianism Buddhism Writing

Social structure Language Trade Jewelry Transportation Grand Canal Ceremonies

Women's accomplishments Other idea? Ok with teacher's approval

PROJECTS MUST BE SCHOOL APPROPRIATE- WEAPONS MAY NOT HARM ANYONE

Design, research, and create a project and write a paragraph describing what you learned about Medieval China.

*Why did you choose this subject?

*Where did you get your information? List all websites, books, articles, etc.

*What can you infer about Medieval China based on what you learned and why?

Sentence Starters:

I chose _____ for several reasons. Some of the reasons were _____, _____, and _____. I researched several places to get the needed information to complete this project. The places I researched included _____, _____, _____, and _____. What I can infer about Medieval China is _____
_____. I can infer this because _____

(spaces do not indicate the actual length of the response)
